

Peninsula Roots Preschool

****Program Structure by Age****

To support each child's unique stage of development, Peninsula Roots offers a thoughtfully tiered schedule within our mixed-age Montessori classroom (ages 3–6). Please note that these are not hard and fast rules, they are gentle guidelines:

Age	Suggested Schedule	Rationale
3-year-olds	2 days/week	Gentle introduction to community life
4-year-olds	3 days/week	Builds confidence and consistency
5-6 year-olds	5 days/week	Prepares for leadership and daily rhythm

This age-based structure reflects children's natural development and allows them to grow with increasing independence, confidence, and connection.

Families may request flexibility based on their child's needs and readiness.

****Class Size & Priority Enrollment****

- Maximum enrollment: 4 children per age group (3, 4, and 5/6 years old)
- Total class size: 12 students
- Waitlist will be started once class is full
